

**DECLARATION**

As a below-named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name.

I believe that I am an original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

SCREENING ASSAYS FOR AGONISTS OR ANTAGONISTS OF CD40 SIGNALING

the specification of which was filed on May 8, 2001 as United States Application No. 09/851,673.

I hereby state that I have reviewed and understand the contents of said specification, including the claims. I acknowledge the duty to disclose information that is known to me and material to patentability of the subject claimed invention in accordance with 37 C.F.R. §1.56.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

WHEREAS, We, Jonathan M. J. Derry, residing at Bainbridge Island, Washington, William C. Fanslow, III, residing at Normandy Park, Washington, and William C. Dougall, residing at Seattle, Washington, have made an invention entitled "SCREENING ASSAYS FOR AGONISTS OR ANTAGONISTS OF CD40 SIGNALING," for which U.S. Patent Application Serial No. 09/851,673 was filed on May 8, 2001;

NOW, THEREFORE, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, we do hereby sell, assign, and transfer unto said ASSIGNEE our entire right and title to and interest in said application and said invention(s) and all U.S. and foreign applications and patents on said invention(s) to be held and enjoyed by ASSIGNEE as entirely as the same would have been held and enjoyed by us had this sale, assignment, and transfer not been made, and we do hereby further agree and promise to execute all instruments and render all such assistance as ASSIGNEE may request in order to make and prosecute any and all applications on said invention(s), to enforce any and all patents on said invention(s), and to confirm in ASSIGNEE legal title to said invention(s) and all applications and patents on said invention(s), all without charge to ASSIGNEE but at no expense to us.

Jonathan M. J. Derry

On this 7th day of AUGUST, 2001, personally appeared before me Jonathan M. J. Derry, to me known to be the individual named above who executed the within and foregoing instrument, and acknowledged that he signed the same as his free and voluntary act and deed, for the uses and purposes therein mentioned.
